▪ Excellent	Pakistan
▪ EXCELLENT JOB	Pakistan
▪ Excellent	Yamen
▪ Thankyou	United Arab Emirates

Case 1

The screenshot displays a Zoom meeting interface. The main content area shows two axial MRI scans of a brain. The left scan is labeled "T2 FS" and shows a bright white area in the central region. The right scan shows a different slice. On the right side, there is a vertical list of participants: Sami Khan, DR Harun Gupta (with a video thumbnail), BRG, Huzafa Khan 190501... (with a profile icon 'H'), and Aung Win. At the bottom, the Zoom control bar includes icons for Unmute, Start Video, Security, Participants (circled in red with a red arrow pointing to it), Polls, Chat (with a '20' notification), Share Screen, Pause/Stop Recording, Reactions, and a Leave button.
